1	I have a concern for the existing provision in Central Primary school. Has an impact assessment been completed? I am also concerned that a religious school is proposed. The intension to establish a strong Christian "ethos" will not be welcomed by all in our multi-faith, multi-cultural community in Watford, segregation is not a positive contribution to that delicate balance. Claims for an inclusive faith based education cannot be realized.	3/10/2016 9:29 PM
2	There is a strong need for a new faith school in Watford and I believe that the correct people are driving this forward. The four key themes of the vision will be shared by children, parents and staff to help create a unique school	2/24/2016 9:47 AM

Q4 What are you views on the temporary location of the school?

#	Responses	Date
1	It is awful. Not at all suitable. The fact that you are intending to use St John's church for indoor events, and local public play areas for outdoor activities demonstrates that the facilities at the school are inadequate. Being, as it is, in the midst of a traffic hotspot adds further risk when so many child movements are planned.	3/10/2016 9:33 PM
2	A wonderful idea until a permanent site is completed	3/5/2016 2:33 PM
3	Brilliant use of resources	3/5/2016 2:31 PM
4	Best situation currently	3/5/2016 2:30 PM
5	I don't see a problem	3/2/2016 12:47 PM
6	Looks like the arrangements have been sorted out ok	3/2/2016 12:46 PM
7	Good to be in central Watford	3/2/2016 12:44 PM
8	Good for children to walk to school	3/2/2016 12:43 PM
9	Good size building and close to transport links	3/2/2016 12:41 PM
10	Good to be in central watford	3/2/2016 12:39 PM
11	It is good for the children to be able to walk to school	3/2/2016 12:38 PM
12	It's good to be in central Watford	3/2/2016 12:37 PM
13	Good to be in the church and same area as the new school	3/2/2016 12:35 PM
14	A decent compromise - good that it is near to church	3/2/2016 12:34 PM
15	Happy with location	3/2/2016 12:32 PM
16	Centrally located and within walking distance.	3/1/2016 9:44 PM
17	Excellent postilion	2/28/2016 6:31 PM
18	As long as it is safe, secure and inspiring for staff and pupils it will be great!	2/26/2016 4:48 PM
19	Not ideal - given the lack of a drop-off space (the recommended use of Suttons car park is noted but it is a short walk away).	2/25/2016 4:52 PM
20	as long as children have enough space, I can not see a problem.	2/25/2016 1:47 PM
21	I think it is wonderful that there is such a convenient location for the temporary site. The children will enjoy being close to the Church and measures are being put in place to ensure they have access to outdoor space as well as a larger venue for events.	2/24/2016 9:47 AM
22	I think it offers a good short term solution providing the key ingredients a parent wants for their child ie adequate facilities, access to wider community facilities and outdoor space which is I personally feel is essential	2/24/2016 9:45 AM
23	Not ideal, but good it is close to the church and the local area that it will serve	2/23/2016 3:22 PM
24	It is a shame that the school cannot open in permanent accommodation but this is a good interim measure	2/23/2016 2:51 PM

25	It makes sense given that your permanent building is not yet available. It has good public transport links although car drivers may find it a little busy in the mornings. I assume that the church is available should you need extra space at short notice. That St John's prepared to hand over their church hall for use by the school is a very visible sign of their commitment to the project.	2/23/2016 2:33 PM
26	Concern about the space and temporary nature, but understand that it is necessary.	2/22/2016 9:21 PM
27	The site seems perfectly located for a temporary school.	2/22/2016 3:22 PM
28	Good for short term	2/22/2016 9:59 AM
29	Fine for short term	2/22/2016 9:56 AM
30	Good location in the short term	2/22/2016 9:55 AM
31	Unfortunate, but better than delaying the opening by a year or two	2/22/2016 9:53 AM
32	Is a good location	2/22/2016 9:51 AM
33	I am a resident of Estcourt Road and am a little concerned about the impact on parking (which is already quite limited).	2/22/2016 9:48 AM
34	I am happy that the temporary location is in the heart of our community.	2/17/2016 2:43 PM
35	There needs to be careful management of those families travelling by car and ensuring that the outside of the building is as safe as possible for the children.	2/15/2016 3:30 PM
36	Satisfactory solution	2/13/2016 5:44 PM
37	Good to see St John's using the place for its own purposes. Just a query over potential traffic problems.	2/10/2016 12:14 AM
38	Not ideal as Children will have to change the location and usually they get so used to thei "big school"	2/9/2016 8:49 PM
39	Concerns about cars dropping children off at school.	2/2/2016 3:49 PM

Q5 Do you have any views on the permanent location of the school?

#	Responses	Date
1	No permanent site is proposed. I did see the ex Labour Club proposed in a political publication, but I understand this is no longer an option, this is fortunate as it was even more unsuitable than Estcourt Road.	3/10/2016 9:33 PM
2	Central, good links with family and easy to find	3/5/2016 2:33 PM
3	Very central, encompassed by the community	3/5/2016 2:31 PM
4	Needs to be central	3/5/2016 2:30 PM
5	Ideally in the centre of Watford	3/2/2016 12:47 PM
6	see above	3/2/2016 12:46 PM
7	as above	3/2/2016 12:44 PM

12	as above	3/2/2016 12:37 PM
13	See my comments above	3/2/2016 12:35 PM
14	Difficult area as already very overcrowded and in a busy traffic area. My concerns would be outside space, access proximity to traffic pollution.	3/2/2016 12:34 PM
15	Should be within easy walking distance of St John's church and station and situated within local community	3/2/2016 12:32 PM
16	I don't know where the permanent location is, but I would suggest the obvious site to use is the former St Andrew's school site (now used as a church by the Jehovah's witnesses). They have been trying to redevelop the site and move out, it would be probably be ideal being both close to the church and temporary site.	3/1/2016 9:44 PM

17	It should be in central Watford	2/28/2016 6:31 PM
18	Concerned about lack out outside space but understand it is a reality of town centre schools	2/26/2016 4:48 PM
19	The website is not very clear on location. It will be in WD17 which is reasonable from a need point of view but it is already a very busy built-up area.	2/25/2016 4:52 PM
20	as we don't know the exact location I can not comment	2/25/2016 1:47 PM
21	As the final site is currently undisclosed I cannot comment in full, however as noted above outdoor space is essential as children need to be able to fully run around at break times. As green space in central Watford is limited this could mean thinking upwards and using roof space	2/24/2016 9:45 AM
22	As its not been announced its hard to be specific, but guessing it will be in or around Clarendon Rd, this would be a negative point for me. The area is already clogged with traffic and would be worried that this would add to it. Ideally most people would be within walking distance but with the best will in the world, many will still drive. the pollutants from the road would bother me as its a very busy road, especially the buses.. The outside space aspect will also be interesting to see..	2/23/2016 3:22 PM
23	The sooner the better!	2/23/2016 2:51 PM
24	Do you have any views on the permanent location of the school? I understand that it will be in the same area. Again I applaud the availability of public transport nearby.	2/23/2016 2:33 PM
25	Should be in the ward, but am aware space is limited and concerned about potential drop off/pick up traffic and safety	2/22/2016 9:21 PM
26	It would be good if the permanent site is located close to St John's Church and the temporary site. I think this would give the school 3 wonderful spaces to use. The permanent site should be located in the heart of the community where the children and their families live.	2/22/2016 3:22 PM
27	Ideally within the Parish but otherwise as close as possible	2/22/2016 9:59 AM
28	Must be central	2/22/2016 9:56 AM
29	Should be within the parish. Should have plenty of outdoor space.	2/22/2016 9:55 AM
30	Within the parish if at all possible	2/22/2016 9:53 AM
31	Does it have enough outside space?	2/22/2016 9:51 AM
32	I am so happy that you will be opening a school in the WD17 area of Watford. My husband and I would really like our daughter Clara to go to school here when she is older, if she gets in. It will be just up the road from where we live, so hopefully all her new little friends will live near by.	2/17/2016 2:43 PM
33	No	2/15/2016 3:30 PM
34	Expect it to be in walking distance of the church and local area	2/13/2016 5:44 PM
35	It needs to be very local for Central residents, and to have recreation/playground space. Other than that, I pray God provides what is needed.	2/10/2016 12:14 AM
36	Needs to be secured , ideally with the entrance /exit not going straight into the street as this is dangerous.Good play /outdoor area and maybe separate rooms for maybe children who need 1-2-1 or additional support, sport/dancing room, cooking area etc	2/9/2016 8:49 PM
37	Car parking and drop of children need to taken into account. We desperately need more school places in Watford so the issues of cars needs to be over come.	2/2/2016 3:49 PM

Q6 Do you have any comments on our travel plan?

1	Most unrealistic. Modern parents do not allow 4/5 year olds to scoot/ cycle in a high traffic density area that surrounds the proposed Estcourt Road site. Public transport would not be relevant for truly local families, and would not be the transport mode of choice for those travelling from distance. Thirty sets of parent/carers maneuvering in/out of already congested traffic area can only make matters worse, and be dangerous for the children.	3/10/2016 9:33 PM
2	Fantastic!	3/5/2016 2:33 PM
3	Great idea!	3/5/2016 2:31 PM
4	Agree that it is important to be walkable/"scooterable" for most people	3/5/2016 2:30 PM

5	No	3/2/2016 12:47 PM
6	Plenty of children in central Watford - so they can walk to school	3/2/2016 12:46 PM
7	Good transport links	3/2/2016 12:44 PM
8	as above	3/2/2016 12:43 PM
9	Good for local children to walk to their local school	3/2/2016 12:41 PM
10	location is good for transport links in Watford. No need to use a car!	3/2/2016 12:38 PM
11	Good transport links	3/2/2016 12:37 PM
12	All children should be able to attend school by themselves i.e. walking, riding bike, scooter	3/2/2016 12:35 PM
13	I too suspect most will walk and those from south of Clarendon Rd will not have to cross any busy roads.	3/1/2016 9:44 PM
14	Its very comprehensive	2/28/2016 6:31 PM
15	no	2/26/2016 4:48 PM
16	The travel plan is very brief - I fear that a proportion of parents will still drive - depends on how the 'radius' of where pupils live in relation to the school develops. A lot of effort will be required to help parents be separated from their cars.	2/25/2016 4:52 PM
17	although its nice to expect most of the children to walk, my experience is that in a bad weather or if people are dropping kids off on the way to work people will drive so it would be nice if there is some parking space otherwise it will affect local residents a lot	2/25/2016 1:47 PM
18	Considering the heavy traffic volume in central Watford, I think it is very good to recommend that children/parents use healthier transport methods where possible.	2/24/2016 9:47 AM
19	Pleased you are offering storage for scooters etc	2/24/2016 9:45 AM
20	No	2/23/2016 2:51 PM
21	Good ideas. Important to encourage children (and parents) to walk or cycle.	2/23/2016 2:33 PM
22	Good to see some plans in place, but without the permanent site being approved hard to draw up plan	2/22/2016 9:21 PM
23	I like the idea of a green and eco friendly school. I think it is vital that the children and their families should walk to school as much as possible. I would expect the teachers to set an example by doing this as much as they can.	2/22/2016 3:22 PM
24	Sound good	2/22/2016 9:56 AM
25	No	2/22/2016 9:55 AM
26	No	2/22/2016 9:53 AM
27	No	2/22/2016 9:51 AM
28	Central location which will hopefully enable children to walk/ride to school	2/22/2016 9:48 AM
29	We will also be able to walk Clara to school in less than 10 minutes, which is very important to us. No nightmare parking outside the school gates.	2/17/2016 2:43 PM
30	Happy to see you are encouraging healthy ways to get to school	2/15/2016 3:30 PM
31	No	2/13/2016 5:44 PM
32	I hope most parents will walk/use public transport. Living next door to Central Primary on Derby Rd, I am not convinced that will happen in practice.	2/10/2016 12:14 AM
33	No, there is loads of alternatives for parents	2/9/2016 8:49 PM
34	Good. Use of scooters and walking to be encouraged	2/2/2016 3:49 PM

1	I do not agree that the school as proposed should go ahead, so no, I do not want tax payers money spent in this way.	3/10/2016 9:36 PM
2	Nursery required	3/2/2016 12:44 PM
3	a nursery certainly should be considered	3/2/2016 12:43 PM
4	It would be good for Watford to be fulfilling the Government policy for Free Schools	3/2/2016 12:42 PM
5	Does the Trust have any choice in the matter - if it is the only means of funding the school then yes but the Trust should negotiate to ensure the ethos and vision is insulated from frequent central policy changes. I an assuming the Trust will have the admin/financial staff to provide the necessary documentation/periodic returns to government.	2/25/2016 4:57 PM
6	I still have problems with the principle of "Free Schools" as they take funding away from the 'normal' state school system, which is substantially under-funded.	2/22/2016 9:22 PM

1	This whole scheme seems to be predicated on the idea "establish a Church of England school at any cost" – "establish the school and muddle through". Setting aside my objection in principle to a religious school and the affect on community relations, the practical problems alone put the project out of court. The proposal is at best rushed and half baked, a lot more thought and planning needs to be brought to bear before it can be even considered for implementation. The initial site is unsuitable. There is a clear problem that the second year cohort do not have a planned facility, and the idea of a 420 child school in a few years time is so extremely unlikely in central Watford as to be ludicrous.	3/10/2016 9:37 PM
2	See 6 plenty of children so need a nursery?	3/2/2016 12:46 PM
3	This project has already been delayed for too long and needs to be completed as soon as possible	3/2/2016 12:42 PM
4	Any nursery places available?	3/2/2016 12:39 PM
5	Are their any provisions to have Nursery education at the site	3/2/2016 12:38 PM
6	Maybe a nursery?	3/2/2016 12:37 PM

7	As the school grows you need to think about your new intake each year i.e. have a play school for 3 year olds than a nursery	3/2/2016 12:36 PM
8	no	2/26/2016 4:48 PM
9	We fully appreciate the need for Primary places in Watford and it is good that the school will have a Christian ethos.	2/25/2016 5:01 PM
10	No, none.	2/25/2016 1:53 PM

17	Are you forming a PTA? Are you having parent governors? Are you having any governors from the PCC?	2/22/2016 9:54 AM
18	We are really happy that the school will have an ethos that celebrates diversity and tolerance. We really want our daughter to grow up to be an open minded and generous person.	2/17/2016 2:52 PM
