

Only 15 more days left!

Revision

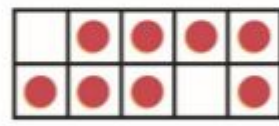

We will begin our revision of Maths concepts taught throughout the year, but mainly number magnitude. We will ensure that pupils are using correct grammar and punctuation throughout their writing. Pupils will continue to form letters correctly in their writing.

Place these numbers correctly on the number line.

Mad Hatter's Tea Party

We will be walking to Waterfields Park on Wednesday after lunch. At the park, we will have Alice in Wonderland themed activities. We will have a picnic to eat some snacks (including Queen of Heart jam tarts that we will have made ourselves) and play some games. Plus, Mrs Swan will be coming back to visit us. Please if you can volunteer your time, we would really appreciate it, to make this event more enriching for the children.

2nd July 2018

Trip to St Albans Cathedral

On Thursday we are going to take the train to St Albans! We will so enjoy going on a train, especially as it links with our spring term learning “Oi! Get off our Train!” Once we get to the cathedral, we will be doing a “Can Buildings Speak?” clay workshop, followed by a tour of the cathedral. It should be a great day!

Transition Afternoon

On Friday we are going to begin thinking about Year 2 in our new classroom and school building. We will discuss the goals and dreams we have for ourselves next year. What have we done really well this year? What are we proud of? What do we need to continue to work on next year to get even better at? We will start working on a display for our new classroom!
