NB The Governing Body became active when the Funding Agreement for the school was signed; that is on 29 April 2016. The Directors were in place before that date to allow the Governing Body to function from that date. Thus the dates of appointment of some Director/ Governors at Companies House significantly precede the first Full Governing Body meeting on 23 May 2016. For all newer Governors, terms of office have been calculated from the first meeting at which the appointment was confirmed.
