Growing Together in Love and Respect

Dear St John's families,

I am very happy to see that the sun is going to shine on us for the next week. With our value of Forgiveness, this month, it was a very special day on Wednesday thinking about peace and justice of all. Below you can see some prayers written by the children. We are aiming to display all the prayers at the front of school. When I think of forgiveness I often think of this quote by Desmond Tutu:

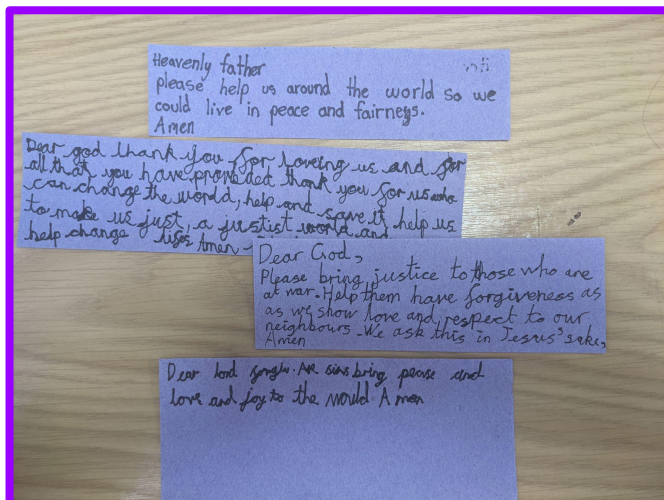

Without forgiveness there is no future...If you can forgive, then you can move on and even help the person you are forgiving to become a better person.

The Friends of St John's, our school PTA, have been able to organise the pizza kit ordering as I know some families missed out last time and others would like to order again. On the next page is more information. Thank you for continuing to support The Friends. They are an important part of the school community who work to plan lovely things for the children.

Today, we had an amazing collection of £209 for Red Nose Day, thank you.

In Love and Respect

Mrs Samantha Da Costa
Headteacher
