

Cheryl began as the school's first Parent Trustee from within the school community and is now a Co-opted Trustee because of her specialist skills. Her career background is predominantly in Human Resources (HR) with over twenty years' professional experience including much time in management and leadership roles. Having developed her digital knowledge and skills in recent years, Cheryl is now also a Chartered ICT professional and, as Head of Product Management at Acas, she is responsible for the Acas website including the Digital Advice Service.

Cheryl has two children at St Johns - the eldest being one of the founding pupils - so she has been on the school's journey from very early on. She serves as Link Trustee for Safeguarding.
