

Father David is a Member appointed Trustee and one of our school founding members after seeing the need for a church school in the heart of Watford. He is very proud and stands in awe of all the people who have made this dream come true. Father David is the Vicar of the Parish of St John the Apostle & Evangelist, the heavenly patron of our Parish and School, and has served here since 2011. Prior to this he was assistant curate in the 'Fine City of Norwich'. Before being ordained a priest in 2008 he worked as a Registered Nurse specialising in the fields of anaesthetics and immediate post-operative care for over twenty years. David is a Kiwi by birth, loves his three adorable Yorkshire Terriers, music, travel, reading, cross-stitch and mowing the lawn for a bit of peace and quiet.

Father David is passionate about young people receiving a 'wonder based and inclusive' education in life and believes that through 'Love and Respect' we can all live out our school values in our homes and communities, making our world a better place for everyone as God has taught us to do. He serves as Chair of the Church and Curriculum Committee and as Link Trustee for Religious Education.
