

Autumn Term 2023

Year 3

Values: Growing Together,
Thankfulness, Courage and Joy.

Enrichment

Film festival cinema trip: We will be going to the cinema to enjoy the film, 'The Red Turtle'. This film tells the story of a man who becomes shipwrecked on an uninhabited island and meets a giant red female turtle which tie in well to our school values.

Author Visit: We have an author workshop from Jack Meggit-Phillips which is followed by a book signing!

Harvest Collective Worship: We will be learning about Harvest and inviting our families to join us in our Harvest Collective Worship.

Jesse Tree Retreat: During our retreat day at the church we will learn about and create our own class Jesse Tree. We hope to share this with our families by inviting them to join our collective worship about the Jesse Tree.

Literacy

We will be looking at the texts

- 'The Promise' by Nicola Davies
- 'Change Sings' by Amanda Gorman
- 'The Last Garden' by Rachel Ip.
- 'Cloud Tea Monkeys' by Mal Peet and Elspeth Graham.
- 'Leon and the Place Between' by Frann Preston-Gannon.
- 'The Polar Express' by Chris Van Allsburg.

These texts will be our inspiration to write: A persuasive speech, diary entries, poems, setting description, letters/emails, narratives and stories.

Mathematics

- Place value and regrouping with three digit numbers
- Counting on and back in ones, tens and hundreds.
- Estimation, magnitude and rounding
- Measures - length, weight, volume
- Mental and written strategies for addition and subtraction.
- Problem solving
- Statistics - Bar charts and tables
- 2D shapes, types of angle, types of line and perimeter.

RE

How festivals and family life show what matters to Jewish people. Understanding the trinity in Christianity, how it is shown through baptism and how it helps Christians to live their lives.

Computing

Planning, designing, programming and evaluating an animation.
Finding and fixing bugs.

Science

Biology: Plants, Animals and Humans, Living Things and Habitats

Chemistry: Rocks and Soil, States of matter

Physics: Forces and magnetism, Light, Sound

Art & DT

Art: sketching, figurative painting, printmaking, digital art, abstract collage.

DT: Cooking healthy and varied diets, researching, designing and making and evaluating a product using levers and linkages.

Humanities

Geography: Maps of local area, country and cities in the UK, physical and human feature in Europe and mapping the world.

History: First settlers in Hertfordshire, Stone Age, Roman army and empire, Christopher Columbus and the Elizabethan Society.

PE

Gymnastics
Fitness
Dodgeball
Strength and flexibility

PSHE: I can tell you about my time when my words affected someone's feelings and what the consequences were and I can receive and give compliments and know how it feels
Being Me in My World, Celebrating difference

Spanish: Greetings, Spanish foods, talking about our favourite foods in Spanish and the story of The Bird and the Whale.

Music: We will be exploring a range of music pieces including Brahms Hungarian Dance, Symphony inspired by the Juba dance by Florence Price, Mambo by Leonard Bernstein, Rodeo by Aaron Copland and the Doctor Who Theme Tune by Delia Derbyshire.
