

Watford St John's Year 2 Learning Homework Grid Autumn 23/24

Reading

Read a book at home. Can you make up some questions to test your family to see if they have read it too?

For example: What did the character do to show they were feeling ... ?

Maths

We've been looking at representing numbers.

Can you choose 10 different numbers and represent them using items around the house.

For example:

10 =

Writing

How many words can you spell using only these letters?

a s t p e c

Bonus: Use the words in full sentences, remember proper punctuation.

Science

Choose an animal that exists or one you have made up, and make the perfect habitat for it? What makes it perfect?

For example: My animal lives in the cold so it has really thick fur to stay warm.

R.E.

Thinking about how Christians believe the world was created, can you create a story book of the Christian creation story? Make sure you include beautiful illustrations.

History

Research one of the following topics/people:

The Gunpowder Plot, 1605

Guy Fawkes

The Great Fire of London, 1666

Samuel Pepys

Create a poster with the key facts you have learnt. Be as creative as you'd like!

Geography

Draw (or trace/print out) a map of the UK. Can you mark all the different places to the UK you have been? Draw a picture of what you saw there.

Have you been to any places outside of the UK?

Art

Choose a 2D shape and repeat it in rows across the page. Colour it in different patterns. This is called a tessellation.

Homework is to be completed across the half term and to be either uploaded onto google classroom or brought into school.
